Dear friends,

Please, find the attached inscription folder for the « the old tools and folk art objects Fair » that will take place on the 1<sup>st</sup> of May 2018, in Bièvres.

For 2018, few informations to communicate :

- Due to the security situation, we will keep the occupancy level set in 2017 : the area of the fair that is the most exposed will be relocated around the primary school block, and blocking dams will be placed at several entry points.
- Having taken into account the mistakes committed last year, we will improve access signage, as well as signage guiding visitors to the various exhibition areas.
- At the end of the day, the volunteers of LADO will be delighted to welcome you to share a drink and/or the evening meal (registration with the attached document).
- Finally, as it is always impossible for us to influence weather conditions, consider providing the necessary equipment to protect you and your goods from rain and cold.
